BOARD OF TRUSTEES

SEATED: Royal Marten, President of the Board. STANDING left to right are Kenneth Houler, Irving Pickler, William Almand, and Ben Schroeder.

Dr. Lewis Beall, Principal of Crescent.

PRINCIPAL'S MESSAGE

Congratulations on the completion of another successful school year. We all owe a special vote of thanks to the members of the Crescent Class of 1964. They were the first students to complete their entire junior high school education at Crescent. They enrolled as 7th graders three years ago when the school was founded, and as they matured, our traditions matured with them.

They have set standards in academic achievement, conduct, and student activities which will be difficult for next year's class to meet.

We send our best wishes with the members of the Class of 1964 and challenge the Class of 1965 to meet their high standards.

L. L. Beall
